Profile

"I'm a developer with 2 years of experience in building websites for small and medium sized businesses."

list your services or even create a whole online store I can help!

I'm experienced in HTML and CSS 3, JavaScript, MongoDB, React, Express, EJS and MERN Stack.

I'll fully project manage your brief from start to finish

I can build the front-end side and/or the back-end side of the project

"let's keep in touch!"

Studies and education

High School

Port Said Military High School | 2021-2024

I will finish high school in one of the days of the month of July 2024

I study at a school called "Port Said Military High School"

CS50

Harvard University | 2022-2023

The free course for CS50 from Harvard University. I'm still studying now, but I'm about to finish it and get the certificate.
